From the very first interaction to long after your trophy hangs on your wall at home we hope that you will be delighted by our professionalism, organization and attention to the smallest detail.

Booking a Hunting Safari to Africa, especially if it's your first trip, can be daunting for many. Therefore, we wish to provide you with a step-by-step guide, detailing the process involved in booking your dream hunting safari.

Should you wish to speak to someone who has been on Safari with us, you are welcome to contact us and we will provide a contactable reference who will share their amazing experience with you.

'The best thing about hunting and fishing,' the Old Man said, 'is that you don't have to actually do it to enjoy it. You can go to bed every night thinking about how much fun you had twenty years ago, and it all comes back clear as moonlight' - Robert Ruark -

WE LOOK FORWARD TO HEARING FROM YOU. PLEASE DO NOT HESITATE TO CONTACT US SHOULD YOU HAVE ANY FURTHER QUESTIONS.

THAT'S AFRICA SAFARI CO. TEAM

THE PROCESS OF BOOKING A HUNTING SAFARI ESSENTIALLY TAKES THREE FORMS:

TAILORMADE SAFARIS

This is our bread and butter. We pride ourselves in being able to create a unique experience tailor-made to your exact desires. At THAT'S AFRICA SAFARI CO. we aren't in the business of merely selling hunting trips, it is our aim to create a client-centric experience which will be remembered for years to come.

Send us your completed wishlist which can be found by clicking the link below or as an attachment. [Please click this link to fill in the wishlist questionnaire](#) / See attached.

Once received, That's Africa Safari Co. will provide a detailed Safari proposal and quotation. Upon receiving your deposit your Safari is in motion!

DAILY RATE SAFARI

Should you be limited with time, or looking for a unique experience, we offer a selection of trips based on a daily rate.

50% of the daily rates are payable as a deposit to secure the hunt. Animals are then taken during the course of the trip (as the opportunity arises) and calculated at the end of the hunting safari and invoiced accordingly.
