2

CORRESPONDENCE AND COMMUNICATION

Within one working day of receiving your request, we will start corresponding with you and send you a detailed proposal for either the package, price lists at the concession you selected or for a custom hunting safari, depending on your specific requirements. We will alter the proposal until you are completely happy with it. If you would like we can do a ZOOM / Teams or normal phone call to chat about the hunt.

3

PRE-HUNT BOOKING FORM

Once the proposal and information is accepted and the hunting dates agreed upon, we will send you a fillable pre-hunt booking form. Please complete the form and send it back to us as soon as possible.

This will assure that we are able to provide the best hunting safari possible.

Please indicate whether you will be bringing your own firearms or renting from us.

4

PAYMENT OF INVOICE AND SIGNING HUNTING CONTRACT

As soon as the pre-hunt form and flight dates are received we will provide you with the following:

Invoice for payment of deposit

Terms and Conditions

Information on making foreign payments

Firearm information

**Hunting contract for undersigning
(this protects you and us)**

5

CONFIRMATION OF BOOKING

Once we have received proof that the deposit was made and a signed hunting contract, you will receive confirmation of booking of your hunting Safari.

Please note that we only hold dates for a 7 day period from date that the invoice was sent. If you have indicated that you would like to bring your own rifles, an invitation letter will be sent to you. You will need the invitation letter in order to temporarily import your rifles into the country. At this stage we also send any other information regarding what to pack and the specific concession area.
